

This Order Form lists all titles available in the **Teachers' Choice 2009/10** catalogue arranged by page number and series heading. The catalogue shows the format of the book but where exceptions occur paperback (pb) and hardback (hb) editions are indicated below. If selecting free books please mark the quantity in the 'Free' column and if purchasing please use the 'Paid' column. The 2009/10 catalogue will run throughout the school year but prices and availability may be subject to change so please use the current Order Form sent with each issue or refer to the website.

We encourage schools to use the **Organiser** software to submit orders and this can be done using the book numbers below. If ordering manually together with orders from the pupil catalogues please transfer the Total from this Order Form to the Order Summary on the Master Order Form. If purchasing from Teachers' Choice only please total orders at the end of the Order Form and add Post and Packing if appropriate (free in UK, 10% of order value for BFPO, 15% for Europe, 20% for Rest of World) – only the relevant page(s) need be submitted with your order.
